## LAWS AND LEGISLATION

25. **House OKs autism therapy coverage mandate.** The Alabama House of Representatives on Thursday unanimously approved a bill that mandates insurance coverage for therapy methods often pursued by autistic children and their families. bizjournals.com, April 21 (Alabama) <https://is.gd/MKKeNP>

26. **Arkansas and America's long dance with death.** Supreme Court reinstated the death penalty 40 years ago, it imposed an important limitation on its use. Because an execution is “unique in its severity and irrevocability,” it must be reserved for the worst of the worst — society’s most morally blameworthy defendants. gantdaily.com, April 26 (Arkansas) <https://is.gd/a8PNyt>

27. **The Fight for Disability Rights Must Extend to Death Row.** Why didn't more disability rights groups work to stop the execution of Ledell Lee in Arkansas? psmag.com, April 21 (Arkansas) <https://is.gd/pzeTON>

28. **WeHo's Disabilities Board Addresses Dogs in Shops and Grocery Stores.** West Hollywood's Disability Advisory Board voted 6 to 1 last night to form a

short-term subcommittee to address ways to inform and educate the public about service animals. weherville.com, April 27 (California)

<http://bit.ly/2oRDsCV>

**29. Assembly Republicans hold developmental disabilities rally.** Republican assembly members and advocates rallied to protect funding for services for those with developmental disabilities on Wednesday. signalscv.com, April 26 (California) <http://bit.ly/2oOkpbl>

**30. Judge's rules against Rio Nido bar and in favor of disability rights activist.** A local judge has ruled in favor of Guerneville disability rights activist Richard Skaff in his lawsuit accusing the Rio Nido Roadhouse of noncompliance with state disability access laws. sonomawest.com, April 25 (California) <https://is.gd/qulpqc>

**31. New head of agency serving intellectually disabled pushes reform, welcomes challenge.** Between a medical leave and the departure of the former commissioner, the agency that serves nearly 17,000 people with intellectual disabilities, with a yearly budget of about \$1 billion, hasn't had a permanent leader for months. courant.com, April 28 (Connecticut) <https://is.gd/jEGDYm>

**32. Budget cut jeopardizes expanding Stamford's special ed program.** Budget cut jeopardizes expanding Stamford's special ed program. stamfordadvocate.com, April 23 (Connecticut) <https://is.gd/KmPF5J>

**33. Families of group home residents speak out against layoffs, privatization.** News 8 has been telling you that there could be state employee layoffs to help balance the budget and about the Governor's plans to privatize group homes, and that is outraging families of the disabled. wtnh.com, April 21 (Connecticut) <https://is.gd/m8tm20>

**34. Springfield settlement talks extended; study finds 'disability bias' most common housing complaint.** Jacksonville city attorneys have been granted a deadline extension as they grapple with the details of a settlement allowing

for a Springfield apartment complex for the disabled and chronically homeless. wjct.org, April 24 (Florida) <https://is.gd/HaG4wZ>

**35. Prosecution of caregivers of at-risk adults is rare in Georgia.** When Allison Mauldin pressed to prosecute a personal care home owner for murder, there wasn't much enthusiasm. But she wouldn't let it go. "This was the worst case I have ever seen," said Mauldin, an assistant district attorney with the Ocmulgee Judicial Circuit. chronicle.augusta.com, April 23 (Georgia) <https://is.gd/79ymYv>

**36. Report: Majority of students restrained in schools have special needs.** An average of 13,000 students were physically restrained or placed in seclusion in Maine schools annually over the past four years. That's according to a report on the controversial methods educators use to handle students with behavioral problems, conducted by Disability Rights Maine, which advocates for parents and students. wlbz2.com, April 22 (Maine) <https://is.gd/Kmur4y>

**37. Deaf advocates stress importance of legislative involvement.** The Missouri Commission for the Deaf and Hard of Hearing's legislative advocacy day on Wednesday inspired students like Melissa Davis, a junior at the Missouri School for the Deaf in Fulton, to stay aware of policy matters that can affect her family and community. newstribune.com, April 27 (Missouri) <http://bit.ly/2p9gVDY>

**38. Missourians living with disabilities can save for long-term care under new state program.** A Missouri program that sets up savings accounts for individuals living with disabilities or their families begins Monday. The Missourians Achieving a Better Life Experience, or MO ABLE, accounts can be used to pay for qualified expenses related to living with disabilities and special needs. stlpublicradio.org, April 23 (Missouri) <https://is.gd/DIRdWi>

**39. New York City subway faces two lawsuits over disabled access.** Most of New York City's huge, aging subway system is inaccessible to disabled

people, and its operator illegally discriminates against them by failing to fix the problems, disability rights advocates said in two lawsuits on Tuesday. reuters.com, April 25 (New York) <https://is.gd/h3Xn4B>

40. **Bosses discriminated against me because my son has Down syndrome, judge says.** A Superior Court judge in Ocean County has sued his bosses, claiming they forced him out of his job because of his obligations to care for a son with Down syndrome. In a suit filed on Monday in U.S. District Court in Trenton, Judge John Russo contends Assignment Judge Marlene Lynch Ford and Superior Court Judge Madelin Einbinder discriminated against him from the moment he was appointed to his position December 2015. nj.com, April 27 (New Jersey) <http://bit.ly/2oCbC1n>
41. **New complaint targets Paterson special ed evaluations.** For third time in two months, an advocacy group is accusing the Paterson district of missteps on special education. northjersey.com, April 21 (New Jersey) <https://is.gd/hO7pG1>
42. **New Nevada guardianship laws promise accountability and protection.** A Contact 13 investigation has led to long-overdue changes in state law. Abuse and exploitation have run rampant in our adult guardianship system, but protection and oversight are on the way. It's deadline day in the Nevada Senate and two bills both passed to safeguard older and vulnerable citizens from those who would exploit them. ktnv.com, April 25 (Nevada) <https://is.gd/EoZdh8>
43. **Bill to reform DSS bears watching, officials say.** A complete revamp of the state's social services system is proposed in legislation touting the reformation of the state's child welfare system. reflector.com, April 23 (North Carolina) <https://is.gd/O49SA7>
